

## EXPRESSIONS OF INTEREST

The West Adelaide Football Club encourages interested football enthusiasts to play a part in the resurgence of the Club as an SANFL force. We are seeking football minded people who want to assist in varying roles that our football club needs to put 4 teams on the field every weekend as well as Junior Development Squads throughout the year.

Roles exist for interested people in team management, coaching assistants, runners, statisticians, trainers and water runners across all levels. Experience is not necessary as training will be provided by existing officials.

To play your part in the future of the West Adelaide Football Club, please contact Scott Turner, General Manager - Football Operations on 8352 4022 or email [scott.turner@westadelaidefc.com.au](mailto:scott.turner@westadelaidefc.com.au)

The club looks forward to welcoming new members to match day official roles and all BLOODS supporters are encouraged to play their part.
